

Marshall Theroux Memorial Award & Nomination Form

This honor has been established to annually recognize a member of the Illinois assessment profession who demonstrates high ethical standards, professional achievement, and dedication to the service of others. It was founded in the name of former Wheeling Township assessor Marshall Theroux, who was a leader in the development of assessment standards, practices and education. Mr. Theroux died in 1980. The recipient of this award receives a scholarship from the CIAO organization and a recognition plaque from the Institute. Candidates are nominated by their peers. Award recipients are selected by the IPAI Board of Directors. Current IPAI Board Members and former recipients are not eligible to receive this award. All applications must be received by January 31 to be considered for the year. The recipient will be announced at the Recognition Luncheon at the annual Spring Conference.
